---

Hi Sean and Davis,

The final location at Transect 1 (RM-2) is complete. The crew is packing up the boat and preparing to end for the day. Please see photo of sample collection and spent filter.

Thanks,  
Kelsey

Hi Sean and Davis,

The team has 3 subsample locations left to complete at Transect 1 (RM-2). The crew is using hard hats when working under the A-frame. Please see photos of sampling location (Transect 1-E) and the pumping equipment set up.

Thanks,

Kelsey
